

August 2026 Social Media Team Scorecard

Coverage: four weekly scorecards from August 03 - August 30, 2026. Metrics use the same scorecard components shown on the site.

Top performer	Team average	Ticket output	QA quality
Alona Jose	102.58%	9,303	95.31%
111.82% average overall	Average of 24 weekly results	120.21% of 7,739 target	915 of 960 QA points

Executive Readout

August closed ahead of ticket target with 9,303 completed tickets against 7,739 expected, a 20.21% over-target result. Overall team performance averaged 102.58%, attendance was 100.32%, and work ethic landed at 98.12%.

Alona Jose led the month at 111.82% average overall and finished as weekly top performer twice. Jayson Aparece followed at 108.67%, while Rande Delima placed third at 105.30%.

The main scorecard drag was QA consistency: three 25/40 QA scores pulled the team QA rate down from an otherwise near-perfect month.
